

Testing Information

Good Hearts Testing, LLC

Appointment Information:

All appointments must be made through our website www.GHCovidTest.com. Please note the requested appointment times are not exact. You will be contacted by one of our testing professionals the day of your test to coordinate testing and set a time window for testing that works for you.

For **Drive Up Testing**, your testing professional will provide you with the **address** of your test site the **morning of your test**. We try our best to coordinate so that your test is performed by the testing professional located closest to where you live or work.

Prior to your appointment, go to www.GHCovidTest.com and **download** the **Lab requisition** and **Consent forms**. For the **REQUISITION FORM**, please fill out the top part with your personal information, fill out the insurance information in the lower part of the form (4th section with blue header), and write your **name on the top of the second page**.

Bring a **PHOTOCOPY** of your **INSURANCE CARD (FRONT AND BACK)** with you to your appointment. You will submit this photocopy to your testing provider at the time of your test. **Your ID/Member ID number is your policy number.**

Payments:

Dr. Quiros will send you an invoice on **Venmo** once you have been tested or you can pay the person administering the test **Cash** at the time of your test. Results will not be released until payment has been made in full.

Pricing:

FL: The price for testing in the state of Florida is **\$100/person** with insurance for mobile/Drive up testing, **\$150/person** with insurance for home and on site corporate/group testing, **\$200/person** without insurance for mobile/Drive up testing, and **\$250/person** for home and on site corporate/group testing without insurance.

CA: The price for testing in California is **\$200/person** for mobile/Drive up testing and **\$250/person** for home and on site corporate/group testing

* Please note there may be additional charges if the testing provider needs to drive more than 30 minutes one way to the testing site.

* Special rates are available for Home/Corporate/Group testing of more than 8 people in one location.

Results:

Test results are typically reported in **36-72 Hours**. Our lab promises results within 48 hours of receipt of your Nasopharyngeal Swab sample.

- Samples are shipped via overnight delivery daily to our laboratory partner. Our laboratory partner receives the sample and begins to process them the day after your test as long as your test was performed before 5pm.
- For fastest results schedule your appointment prior to 5pm.

Monday – Thursday: Test results are reported **36-48 hours** from the time the test was performed.

Friday – Sunday: Test results are reported **48-72 hours** from the time the test was performed

- Test results take longer Friday – Sunday since our lab is closed on the weekends. Friday and Saturday tests are typically reported Monday evening. Sunday tests are typically reported Tuesday evening.

Let me know if you have any other questions.

Thanks,

Mario I. Quiros, MD
